### **CIRCULAR**

In continuation of the letter and reminder Dt. 23.06.2017 & 31.07.2017 respectively, from the Registrar addressed to the Principals of Constituent and affiliated Colleges with regard to proposed implementation of biometric attendance system to PG students of I year (2017-18 batch) and II Year (2016-17 batch), it is observed that some of the Colleges have not yet made the necessary arrangements for capturing biometric attendance of PG students. Hence, once again it is to remind the Principals of all the constituent and affiliated Colleges that the non implementation of proper biometric system may affect in getting e-pass to get scholarships for their students and also without biometric attendance the students will not be allowed to write examinations. So, it is the responsibility of the Colleges to get the scholarships for the eligible students and also make them eligible to write the University examinations only by proper implementation of biometric attendance system to PG students in their respective Colleges as per University directions immediately.
