### **CIRCULAR**

Through Biometric attendance system server, it is noticed that in many of the affiliated Colleges of JNTUH, less than 50% of their existing staff members are recording their biometric attendance every day. As the Biometric attendance for all the staff is mandatory, the Managements of the respective Colleges are requested to see that all their staff who are on rolls have to record their attendance daily without fail. Any kind of negligence or intentionally avoiding the biometric attendance will be viewed very seriously by the University. If the College has any problem in the implementation of BAS, they are required to bring it to the notice of the UAAC through mail I.D. **bas@jntuh.ac.in**, in order to resolve the same immediately. If the same poor attendance of faculty is continued even after this circular, the University is forced to take corrective steps by stopping the issue of e-pass to such Colleges.
