To

The Vice Chancellor
Jawaharlal Nehru Technological University (JNTUH), Hyderabad

Respected Professor,

Greetings from TCS!

As TCS celebrates its 50th year, we would like to thank esteemed Universities like yours which has made this exciting journey possible through your energetic and committed alumni who have fuelled our growth story. We take this opportunity to invite your university and the affiliated colleges to participate in the **TCS Campus Hiring Season – FY 2018-19.**

It's my pleasure to share with you that we have embarked on a new model of campus hiring this year, by which we will be opening our Campus hiring to students across the country, through a pan-India test called the **TCS National Qualifier**. We are referring to this segment of hiring as **'TCS Ninja Hiring'** as we expect the future TCSers to be bright, talented, agile and swift like the Ninjas.

The **TCS National Qualifier** test which is scheduled for the **2nd & 3rd of September 2018**, would be open to students from all Engineering disciplines both UG & PG ,MCA and few MSc disciplines graduating in the year 2019 (details specified in our eligibility criteria). Compensation would be Rs.3.36 Lakh per annum for UG and Rs.3.53 Lakhs per annum for PG.

This would be a 90 minute test comprising of sections like English, Quantitative Aptitude, Programming Concepts & Coding. Exceptional performers (Top percentile) from this National Qualifier Test would also get an opportunity to attempt the **TCS Digital Hiring process**, which is for differential hiring at a higher compensation. If selected in that, they could get the TCS Digital Offer with a compensation of 7 Lakhs and career in the latest and trending technology areas.

This is an excellent opportunity for aspiring students of your University and affiliated Colleges to start off their career with TCS, and resonates with our philosophy of being an Equal Opportunity Employer.

We request you to encourage all students of your University and affiliated colleges to take part in this National Qualifier. The registrations will be open till **20th August 2018.**

Thank you for the support.

Yours sincerely,
For **TATA CONSULTANCY SERVICES LTD.,**

K Ganesan
Vice President - Human Resources
Global Head of Talent Acquisition and Academic Interface Program
